FREE! • STREET FAIR + LIVE MUSIC 10AM - 9PM SATURDAY, SEPT. 8

Artists, Vendors, Music + More • The Northern Appalachian Folk Festival is a Downtown Indiana Event • NorthernAppFolkFest.org

PLEASE NOTE

We understand there has been some confusion regarding NAFF, its organizers, and format, related to the unsanctioned block party planned for the evening prior to NAFF and other activities making unauthorized use of the festival name. The 6th Northern Appalachian Folk Festival is a Downtown Indiana (DI) event. Our full steering committee, phone number, address, and a link to DI's GuideStar profile for non-profits may be found at:

NorthernAppFolkFest.org

Official events planned in conjunction with the festival are announced through DI, the official NAFF website and social media accounts:

Facebook: NorthernAppFolkFest

Twitter/Instagram: NAppFolkFest

To put it another way, "if you don't see it or hear it from those sources, it's not our event!"

Diablo Dimes (NAFF16) returns for this year's 'NAFF'ter Hours' series of shows before and after the festival.
